Good afternoon,

Thank you for your response. I have received the clerk's order. I do still request the disclosure of Mr. Greer's ex parte communications which led to issuance of these invalid and void subpoenas, so that I can take appropriate action with respect to any misrepresentations in the civil case. If you can forward me the email chain from Mr. Greer that led to these subpoenas being issued, I would appreciate it.

Best,

Matthew D. Hardin

CAUTION - EXTERNAL:

Good afternoon,

Following up on my email this morning, I would like to request copies of the underlying emails which Mr. Greer sent to the clerk's office or its staff *ex parte* to obtain a subpoena in this matter. It is Defendants' position that any *ex parte* request from the Plaintiff should be fully disclosed so that the defense is not prejudiced by the Plaintiff's failure to include all parties on relevant communications.

Thank you,

Matthew D. Hardin

Good morning,

I write to inform the Clerk that the pro se plaintiff in the above-captioned case is apparently using the clerk's office to issue subpoenas despite that there is a stay on discovery in this matter. Judge Bennett has twice issued discovery stays. First, orally on May 6, 2025. Second, by written order entered May 7, 2025. ECF No. 283. Those orders have never been vacated or modified. Nor were they appealed to the District Judge.

Defendants' position is that the clerk's office should not be issuing subpoenas which are being requested in violation of the judge's orders. In the event any subpoenas are actually served, I will be moving to quash them, but my hope would be that subpoenas are not issued in the first instance given that there is no evidentiary hearing set in this case and the judge has emphatically stayed discovery (twice).

Thank you,
